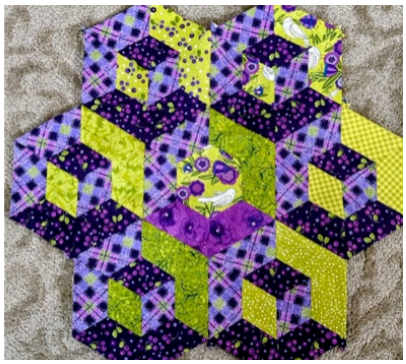
ROCK VALLEY QUILTER'S GUILD - Workshop Event
2026/27 Theme: Let's Make a Quilt Together

Saturday, November 14, 2026
Workshop: **Slow Stitch Workshop #3 - Sandra Kohls:**
English Paper Piecing: A Learn Something, Make Something Event!
Time: **10am to 4pm**
Location: **Edgerton Public Library,** 101 Albion St, Edgerton, WI
Class Fee: **$15 for Members - $25 for NON Members**



Award winning EPP artist and RVQG member, Sandy Kohls, will get us started with this beautiful and fun hand stitching activity. Although the method and traditional patterns have been around for many decades, EPP quilters are adding new colors, shapes, and designs to attract a whole new generation of creators. *Warning*: EPP may become a habit!

The room we use at the Edgerton library provides a non-stress environment. Bringing a sack lunch and task light is suggested.

***Learn*:** What supplies work well - paper pattern pieces, needles, fabrics, thread

Learn: Preferred methods of threading and knotting your needle, adding a seam allowance when cutting your fabric, attaching your fabric to the paper pattern, and what stitches are used to add pieces together.

Make: Start your project with the pattern provided in your kit.

If you attended the Slow Stitch Workshop #1 (November, 2025) bring your needlebook – you will be adding to it!

You may even want to use some of the needle-turn applique techniques you picked up from our Slow Stitch Workshop #2 (June, 2026) when completing your project.

*** Supply list to follow. **We need a minimum of 6 students for this workshop**
