YES – We are going to meet at the Hall, dependent on weather

Time: **11:00AM - 4:00PM** Location: Local 95 UAW Hall - 1795 Lafayette St. - Janesville, WI

Judy Hasheider challenged us after her June trunk show/lecture by saying, "See – you don't need to buy another pattern – change one that you have"! So, we decided to bring her back to show us just how to do that.

Taking a pattern you have, learn to change the block sizes, change the quilt size, or how many blocks you need. Or like the photos above – learn how to translate a larger quilt to a wall hanging using just one of the blocks.

If you want to come and listen, take some notes – that's good!

If you want to "get down and dirty" as Judy says – bring your supplies, sit at a table and get to work.

Supplies: a pattern for inspiration, graph paper: 4 to the inch (preferred) or 8 to the inch, calculator, pencils, eraser, ruler

Monthly theme: My Favorite Place in the U.S.A.

Projects that feature your favorite vacation spot, local or National Park, favorite swimming or fishing hole? Maybe it's your own backyard.

Reminders: If you bring an item for our monthly theme OR yearly theme – you can enter your name for a door prize. Wear your name tag, bring your choice of Show and Tell – you can enter your name for a door prize.
